

HLF Parks for People Project

The Friends of Headstone Manor Park in Association with Harrow Council will be undertaking a Visitor Observation Survey from 11th till 18th February 2019.

This will tell us who is and is not using Headstone Manor Park. The Observation will also be useful for measuring the impact on visitor numbers before and after any park improvements.

If you would like to assist us with this survey please contact us by Email – fohmr@gmail.com for further information
